▷ **UNM'S PROGRAM IS MORE THAN ONE OF A KIND. IT'S AMONG THE BEST.**
At UNM, our Latin American Studies program features over 100 faculty, offers over 200 courses each year, and draws on outstanding library collections.

▷ **WE ARE PART OF A DIVERSE COMMUNITY OF DEDICATED INDIVIDUALS.**
Even on a campus of more than 600 acres within a city of half a million, LAS students are immediately welcomed into a supportive, stimulating community.

▷ **WE DO EVERYTHING WE CAN TO HELP OUR STUDENTS SUCCEED.**
We award substantive, competitive funding in the form of graduate assistantships, FLAS (Foreign Language and Area Studies) Fellowships, and field research grants - among others. In the last year alone, we provided over \$675,000 in funding to students across campus.

▷ **WE WELCOME STUDENTS OF WESTERN STATES.**

Graduate students from the western US qualify for New Mexico in-state tuition rates, making our LAS program even more affordable.
