

# FIELD RESEARCH GRANTS FOR LATIN AMERICAN PROJECTS

The **LAI FIELD RESEARCH GRANT** provides graduate students the opportunity to conduct pilot studies and preliminary investigations in Latin America for a thesis or dissertation proposal, as well as faculty the opportunity to begin fieldwork on new projects or to add a comparative dimension to field research conducted previously. Restrictions apply. **Applications are due Friday, March 20, 2020.**

**AN INFORMATION SESSION** will be held at the LAII (801 Yale Blvd NE; Building 182 on the campus map) on Friday, January 24, 2020, at 12:00 p.m. All potential applicants are encouraged to attend.
