

# THE UNIVERSITY *of* NEW MEXICO

College of Arts and Sciences, International Studies Institute

*Presents a public lecture by Dr. Gary P. Nabhan:*

## Climate Friendly Agriculture IN THE FACE OF WATER SCARCITY

This is an in-person event starting at 3pm  
Friday, Oct. 28 in Mitchell Hall, Room 102.

A renowned agricultural ecologist and ethnobotanist, Dr. Gary Nabhan is considered a pioneer in the local food movement. Dr. Nabhan of the University of Arizona's Southwest Center will examine sustainable food systems amid worsening water scarcity. His talk will be followed by a Q & A session and discussion.

The International Studies Institute would like to acknowledge and thank the following organizations for their generous support of the 2022 Fall Lecture Series:
