The **Fulbright U.S. Scholar Program** offers more than 300 awards worldwide (ranging from 2-12 months) for U.S. citizens to teach, conduct research, and carry out professional projects around the world. College and university faculty, postdoctoral scholars, research and development professionals, as well as artists and professional practitioners from a wide range of fields can join nearly 450,000 Fulbrighters who have come away with enhanced skills, new connections, and greater mutual understanding. At this info session, you will hear from UNM Fulbright US Scholar alumni, who will share their experiences and advice.
