

LAI K-12 Afro-Latinidad Teacher Workshop Series

Join the LAI for the Institute's first-ever teacher workshop series on Afro-Latinidad! Throughout the series, we'll discuss a variety of Afro-Latinx cultures across Latin America, a range of spiritual and cultural Afro-Latinx traditions, and a diverse selection of historical Afro-Latinx figures. All three workshops will complement one another but can also stand alone so please join us for as many as you can!
